The Hastings Business Women's Network (HBWN) has grown in popularity since its inception in 1999.

With an average of 40-50 guests at our monthly events we are the premier businesswomen's network in the Port Macquarie-Hastings region.

The following sponsorship packages offer a unique opportunity for businesses to align their brand with HBWN values and position themselves as industry leaders that support local business and businesswomen.

We look forward to partnering with you in 2024.

About Us

The Hastings Business Women's Network (HBWN) has grown in popularity since its inception in 1999. With an average of 40-50 guests at our events we are the premier businesswomen's networking group in the Port Macquarie-Hastings region.

We have a proud history of encouraging, empowering and educating women with a diverse member base from a cross section of industry sectors and demographics.

HBWN provide valuable networking and professional development opportunities as well as a sense of belonging to a warm and welcoming business community.

By supporting and promoting the achievements of our talented members, HBWN raises awareness of the contribution of businesswomen to the local economy and community.

We are a not-for-profit organisation operated entirely on a voluntary basis. Any surplus revenue is invested back into the local community. Whilst fundraising is not our core function, our charities include:

- Liberty Domestic and Family Violence Specialist Service
- Luminosity Youth Summit
- Share the Dignity
- Hastings Education Fund
- Hastings Little Wishes

The HBWN has a high profile in the local community and strong working relationships with the other business networks in the region.

Growing Tall Poppies

The red poppy flower is the recognisable symbol of the Hastings Business Women's Network.

In the HBWN tall poppies are celebrated, not cut down.

The HBWN believes it is the right of every businesswoman to hold her head high and, like the tall poppy, stand out from the crowd. We encourage members to be proud of and promote their success in all fields, at all levels.

- HBWN is committed to extending our network to broaden the age range to include young women. You (and your business) have the opportunity connect with the new generation of young professionals and talented students in the Hastings region (from institutions, including Charles Sturt University and TAFE NSW).
